1 Pay attention to free skin events. Sometimes the player MLBB F2F gives you the opportunity to win the skin by performing some actions to win the skin. You must focus on the tasks listed to win free items! 2 Ask the skin from a friend. Sometimes one of her MLBB players is happy enough to give her skin. You must first ask you before doing something else, because this is the only way to buy skin for someone. To do this, you need to make friends with this MLBB player for a week. Advertising 3 Use VPN for events specific to the country. Some players use VPN to travel to another server and perform tasks to get something free. This was polished in the Guston/Lesley-emote event and Kof Skin Latin America tickets, but if you get something from other means, do it! Some tasks include the game at least one classic/fight, so you should call VPN to return other players. 4 Draw newcomers. In the case of beginners, it will be used until recent published skin (until a special day) that users can receive lower costs using Aurora crystals. Nevertheless, there may be newcomers that you can earn through fees or membership in Starlight. You can use these two methods to get the last skin. 5 Use the magic wheel. If you are still drawing a magic wheel, you can get painted or elite skin. You can get magic drinks for download, get membership in Starlight or use it for some events. If you manage to get a magic crystal, you can replace it with legendary skin! 6 Use your diamonds. If you can use more with a gift card (Apple or Google Play) using these diamonds in any form. You can even get free diamonds with diamond deductions, but regardless of how you earn them, you can use them for any skin. 7 can be prepared for mpl codes. In MPL flows (mainly at the end of the games) you show an advertising code that players can replace free skins. To do this, you must enter into the "site demolition" section and track the listed instructions. It should be remembered that these codes are bought faster than expected. So, you must see the stream to get free skin. 8 take part in Aurora's call. In Aurora, you can earn free skin and objects when using Aurora crystals. If you pull 10 times (or increase your happy glasses to 80), you will have one! beware of free skin actions. Sometimes MLBB gives a F2F chance to win the skin by performing certain actions to win the skin. You must focus on the task and win free elements! 2 Ask the skin to a friend. Sometimes one of your MLBB players will be happy enough to give you your skin. You must first ask them before doing something else, because it will be the only way to buy someone. If you want to do this, you must be with this MLBB player for a week. Announcement 3 Use VPN for events specific to the country. Some players will use VPN to switch to another server and perform tasks to get something for free. He served as part of Guston / Lesley Emote tickets and Kof Skin America tickets, but if you want to get something else, do it! Some of the tasks will understand the game at least one classic / fighter, so it should be known as a VPN can lag behind compared to other players. 4 Draw the new arrivals. For beginners, he will promote recently released skin (up to a special brand), which users can get at lower costs using earlier crystals. Nevertheless, there may be new arrivals tickets that can be obtained from charging or Starlight Adhehip. These two methods can be used to obtain recent skin. 5 Use a magic bike. If you always rely on a magical bike, there is a chance to be painted or elite skin. You can earn Money Magic Wheel for reloading, stars or use them for certain events. If you manage to get a magic crystal, you can apply one for legendary skin! 6 Use your diamonds. If you were able to get more with a gift card (Apple or Google Play), you can use these diamonds in every form. You can even get free diamonds using a diamond, but regardless of how you do them, you can use them for any skin type. 7 Be prepared for mpl codes. In MPL flows (mainly at the end of the games) the code shows that players can use free skin. If you want to do this, you will need to access the Redumeming section on the Internet and follow the instructions here. Know that these codes will be used faster than expected, so you should follow the flow to get the opportunity to get free skin. 8 participate in Aurora Summon. Aurora Summon has a chance to get leather and free items when using ears crystals. When you make a draw on the 10th essence (or increasing your happy points to 80), you will haveby accident. You have to use your daily discount that will reduce use (25 COA). 9. Buy a Starlight subscription. If you decide to buy a Starlight subscription, which is valid for a month, you can choose five shells. We just missed the skin, but the other four are tied. This skin is permanent and can be used in the fight. You can also get painful skin immediately. 10. Participate in Big Collection Draws. A large lottery collection has the ability to acquire the main skin with the elite and "picks" collector. If you continue to draw with free chips, you can get the main F2F scanner sheath, but Diamond costs can quickly get a collector sheath. 11. Lucky Spin Lottery. Lucky Spin offers a free basic shell that can be used permanently. While it is not guaranteed that you will get your skin with a lottery, you can win your skin using happy back tickets. You can also win a special shell that changes every 90 days with 40 happy gems. This can be the goddess of butterfly butterfly, the Rue Sun legend or the death of Johnson.
