Then download ... and my new phrase is, À ç à,~ À "Way for many additions. Every time I want to see a trick, an add opens ... I becoming completely out of the app ... I'll be back on ... and the same thing happens. I honestly believe that the tricks are intelligent and I never thought of them, but then look at the additions and they don't even have xÀ ç à,~ à "ç s so you can x i mean, who does it! It is so irritating than added pop-ups every few seconds! I almost canceled the app, but the only reason I didn't do because the tricks are good. This is why I rated this 3-star app. I said À ç à,~ À "wow, only wowÀ ç à,~. You should probably update it because time doesn't work anymore. Maybe make a new cheat app? I turned my time forward and everyone work that they had long tasks was at the same point. (Really annoying) so ya. Barfing's cheater was a nice ADD on, thanks for that. But Ya Plz updates! Or create the new Simsfreeplay Cheats app! Thanks! All the tricks here do not work but one. The only one I saw the job was doing your sim vomiting. Marcus you write because you wrote the wrong things in the game, and take a life !!! Honestly, this only takes time and conservation. This has a pretty time token anyway. And to say that I think about one of the tricks is not good because you don't know. Also it doesn't know why he didn't play Sims free !!! In case you are going to cheat the system, there are ways to get enormous quantities of LP or SIMOLEONS both on iOS and Android. In the event that you want to play with the rules, there are numerous ways to maximize the amount of LP and SIMOLEON you earn. The step-by-step detail is below: À, 1. Get your Sims inspired sims sims earn more simoleons while completing the activities. You can inspire sim satisfying their needs. To see the needs of Sims, select it and look at the bars. If the sim is hungry, use the refrigerator to eat. If the sim is low for fun, rest watching TV or playing on the computer. If the social needs of your sims are low, try to get the dog, talking to other sims on the phone or meet them in person. You can quickly and easily increase the energy of the sim drink espresso coffee. In reality you don't need to sleep if you use it constantly! À, when it interacts with other sims, "be funny" usually lift the bar to the maximum. You can buy Cupcakes for LP that will make your sims inspired or you can buy a cocktail at the nightclub for Simoleons. 2. Make goods and sell the purchase of a stove and sell some baked grains. Start by cooking cookies or pancakes and when you have made your hot cooking skill you can cook the chocolate cake! It takes a lot of time and To earn a lot of money in this way, but it still can be worthwhile and earns even life points. 3. Use the SIM dog to dig the points of money and lifestyle. After the dog digs the points of lifestyle, praise him so that he knows he will be praised if he digs the lifestyle points. This means more prizes for you later. You can also buy the bone for 2lp for your dog. You will give you Simoleons and LP fastest. More Your cat or dog is, quickly will take care of collecting Simoleon and LP. It is, in case your dog has no sign dig / jump on it, get a child to play with him or an adult to praise him. Do this twice and should work or slowly on foot. Usually this will take him to find something and repeat the process can make you even more stuff. 4. Go to work and earn money if your sims go to work, they earn money and keep. Also, when you go to work regularly, you are promoted, which will earn simoleons and XP after a working day. Working regularly will help you reach a large number of goals in the game as well. À, 5. Cultivation of vegetables when the vegetables are completed, you will earn more money but depends on what you will grow up. During the night, as he is asleep À, have your sims gardening (all those who are not at work or busy). If you are garden 7 or 8 hours of collection at night, you will wake up to many Simoleons and XP. Make sure they are inspired because they will earn 1.5x SIMOLEON. You should try planting sweet pepper seeds, while the pepper bell seeds are free and it takes only 30 seconds to grow and be ready to sell! After they are ready you can sell them for some somolows. À, a lot can be dedicated to you in your city gardening. Put at least one lot garden for sim in your city. Receive all or most of your sims inspired at once, and take them for the lot to the garden 6. Works for skills and hobbies look at the top left of the city map and buy the Community Center. Hobbies like fashion design, ghost hunting and figure skating. All these are the hobbies that will take you awards and a great reward when completing their collections. 7. Competes at the Competition Center it is possible to earn some extra or XP life points competitiated at the Competition Center (added with the supernatural update). You can compete among all active hobbies: ballet, karate or ghost hunt. You can choose a specific SIM that is going to compete for the next 12 hours. You will be asked to level your ability to win a highest place, which in turn leads to larger prizes. 8. Double on elements in case you are in the handsome cooking something that takes a long time, and you need money quickly, getting two ovens will help you. Don't buy expensive ones if you don't get too rich, though, because it doesn't allow you to cook fastest. À, 9. Go for a record and earn money while you go for a record, you can earn money and lifestens. Quickly touching music notes will make you earn money bonus. Sometimes you will also be lucky enough to get LP. 10. Clean the droppings, if you don't let the sims go to the bathroom, wet your pants. When cleaning, you will earn you points. Likewise, when you shake your device, your sims will get sick and get away. If you clean the vomiting, you can earn points. Doing this too often could make your device freeze, then use it sparingly. 11. Savings of Simoleon and LP should be intelligent and active on what you buy. You shouldn't waste your money on anything you will not use. As in real life, this habit is fundamental for a successful budget. Save the items you can reuse. You should put a cot in the inventory once a child was born. Other pairs can use it and save money so you don't have to buy a new one. Be ready for a rainy day. You should save your LP because some of your tasks require them. Once the task is completed, you will have a return. You don't want to be blocked because you spent all your lp on something you didn't have need! Be careful to spend real money. You shouldn't waste your real money for SIMOLEONS and LPS. You can earn a lot if you are patient and spending real money on this can become a habit. À, 12. Watching advertising videos Go to the purple cart and "free" prizes at the top left. It will take short programs or videos and if you look at them, you will earn an LP. These don't earn a lot, but videos change regularly, giving you a constant flow of LP. 13. 13. With social media there will be special offers and gifts on the Sims Freeplay Facebook page. When you like the Facebook page, you will be updated every time there is a new event. You can earn Simoleons, LP, and a variety of other items in this way. 14. Leveling and earning money When the level of sims freeplay is raised, you will get more like lifestyle and money. You can do it having a very good relationship with a sim (like being a partner sim or better friend) since this will make you earn milestones, or do things that take a lot of time to complete. Furthermore, when you live in level you can build houses, businesses and workplaces, each of which increases your value of the land and you earn more money. You should do things that take a lot of time to complete. This will make you earn a lot of experience points, which helps you climb level. More levels are given more than soil, to earn money and, finally, points, lifestyles. À, 15. Complete the goals There are a different number of goals in Sims Freeplay, which involves almost every aspect of the game. These could lead to your sim a job, the completion of a job, the collection fees, and more. Completion Objectives will make you earn money, XP and lifestyle points. Objectives change regularly, in order to be sure to complete as many as possible. 16. The increase in the value of the land and earn more highest LP is the value of your city, more points you get, lifestyles. Raise your land value for the construction of more homes, companies and workplaces. The purchase of expensive furniture and other objects will also increase the value of the ground for that property. Important Sims suggestions that perform a long task while you are asleep you will have the same amount of health when you wake up. If you leave a character, do nothing during the night, their statistics will be significantly dropped in the morning. Tons of purchase of all the free stuff and then in the next update sell. This could give a lot of money. Be sure not to sell many objects; This could reduce the points of the city. Note that your sim do a lot of fashion design. Hit the bulb for Extra SIMOLANS and XP. Be sure to give your sims something to do and control the city often. To level up different relationships quickly, have as many sims as possible that are no better friends or married. Go to the club and dance. It is easier than doing it against one. Superior Starry Furniture allows you to complete the fastest actions. Important warnings When looking for ghosts, fishing, create drawings and medals collected through the swimming center, do not use lucky spin! The cost is 3 points, lifestyles and you may not get a new ghost / fish / drawing / medal. Don't let any SIM be unemployed. Getting to work in time with satisfied needs, and in the end you will be promoted so you can earn more SIMOLEON. When you sell things, you get 10% what you paid and will be reduced to the city value. Don't sell things; put them in your inventory as you never know when you need it. Don't waste time "Whoo-Hoo" lng. It earns only the greatest number of XPS like dance. Then, just select the "Be Romance" button. Don't tire your sims out! When you go to sleep, set all your sims (if they don't work) for the lethargy, so that they are fresh for most of the day in the morning. morning.
