Author Song Won has carefully crafted this follow-up course and packed it with highly useful content which will provide you with all of the tools needed in order to build upon the strong foundations set along the course of the first level. The easy-to-understand and to-the-point format has remained unchanged, allowing readers to immediately dive into the good stuff and start expanding their comprehension of Korean Grammar right away. This second level covers a truly wide array of more advanced high usage daily expressions which will definitely come in handy while engaging in conversation, small-talk and even during more formal situations, such as giving a talk or presentation. Apart from presenting these new concepts, the text also aids us in combining them with previously learned conjugations, in a creative, fun and simple building blocks kind of approach. Each unit also includes extensive advanced vocabulary lists, a wide variety of practice problems, and end-of-unit quizzes. You'll be genuinely amazed at how easy Korean Grammar seems while following Songwon's tried and tested methods!
