2019 release film Mike Flanagan Doctor SleepTheatrical posterDirected by Trevor Macy Jon Berg starring Ewan McGregor Rebecca Ferguson Kyliegh Curran Cliff Curtis Cinematography Michael FimognariEdited by Mike Flanagan Music by the Newton \$ [4] [5] Doctor Sleep is an American film 2019 of supernatural horror written and directed by Mike Flanagan. It is based on the 2013 novel of the same name from Stephen King, which is a sequel to 1977 novel King Shining. It is the second film of the same name from Stephen King, which also serves as an adaptation of the 1980 film of The Shining, directed by Stanley Kubrick, has set various decades after the events of the original elements and combines the novel of 1977 as well. Ewan McGregor plays the main role of Danny Torrance, a man with psychic capabilities that fights with childhood traumas. Rebecca Ferguson, Kyliegh Curran, Cliff Curtis, and Carl Lumbly have roles. In the film, Dan Torrance, the adult now, must protect a young girl with similar powers from a worship known as the true node, whose members depreciate children who own the brilliant of extending one's life. Warner Bros. Pictures started developing a film adaptation shortly after Dr. Sleep was published in 2013. Writer and producer Akiva Goldsman wrote a script, but the study does not set a budget for the film until the box office success Of his 2017 Horror film and, also based on a King novel. Flanagan was hired to rewrite Goldsman's script and direct movie. Flanagan was hired to rewrite Goldsman's script and direct movie. including Atlanta and the surrounding area, and ended in December 2018. The Sleep doctor held his world premiere at the Regency Village Theater of Los Angeles on 21 October, 2019, and in the United States on 8 November 2019. The film received positive reviews by the criticism, with praise for its performance, but the criticism for the Its length. [6] Just \$ 72.3 million in the world, its performance at the Box Office was considered disappointing, compared to other King adaptations released in 2019, it is according to chapter and Pet Sematary. [7] However, despite the box office performance, the film enjoyed a rebirth of interest and the popularity when he debuted on streaming services in 2020. [8] [9] Plot in 2011, Dan Torrance, still traumatized since 1980 Calvary Of his family in Hotel Overlook, he lives in a town in New Hampshire and drinks alcohol to suppress his shining. He is recovering with anonymous alcoholics and becomes a neat hospice, where his brilliant him is used for dying comfort patients, whom he nicknamed "Doctor Sleep". Meanwhile, the true node, a cult of sensitives led by rose hat, expand their lifespan consuming "steam", a psychic essence released to torture and kill those who have the brilliant. In 2019, true nodes are starving, as steam has become increasingly rare. Torturing a boy to death for steam, which detects Abra Stone, a young girl whose brilliant is even bigger than Dan. He is advised to telepathically murder, but Rose senses Abra in the process. Rose projects the conscience of her throughout the country and infiltrates the mind of abra, but is physically injured by a psychic trap From Abra. Rose sends the remaining members after abra for steam. Abra informs Dan about the real node. Even if it is initially skeptical about them arrest, changes the idea and recruits him friend of him, Billy Freeman, and the father of Abra, Dave, Dave, Help. They successfully kill most of the group except Rose, but Billy and Dave are killed and Abra is captured by Rose's partner, Crow dad. Dan shines in abra and save it from the crow dad, killing the real node member in the process. Dan brings Abra to Overlook as a last resort, believing that he will be just as dangerous for roses. He starts the hotel boiler and explore the sleeping building, "awakening" with its shining. At the same time, he has some time visions in the hotel, including Jack's rupture father in a bathroom door to kill him Wendy. Rose arrives at Overlook and wins Dan in a fight, but you save from the opening boxes in her mind where she had trapped so much time, which eventually possess him in an attempt to try to make him abra. After an exciting time when you cross your mind possessed, bringing true Danny, he realizes that to "close the door" once and for all, The Overlook must burn. Danny must stay behind to get the job done, saying Abra to leave to save himself. He goes to the boiler room, but resumes control before the hotel can make him deactivate him. Overhead of the boiler for the hotel, looks at the fire diffusion. And as the last moment of peace with Wendy, Dan has a vision of himself as a child who is comforted by his mother. Abra survives the explosion as the help arrives at the Hotel Brucia. Some time later, it speaks to Dan's projection just as he used to talk to Dick, Dan comforts Abra, telling her to "shine on" and not to hide the gifts of her from the world, and make sure each other that will be both In place. Abra begins to possess the powers of her, at that moment, he finally tells the mother that will be both In place. Abra begins to possess the powers of her, at that moment, he finally tells the mother that will be both In place. King at peace. In the final scene, ABRA sees the woman in the tub, head towards your bathroom to have another one of the insidious overlookà ¢ s ghoul, just like Danny Torrance, an alcoholic man with mental powers known as "The Shining". The first character appeared as a child in the film Shining, played by Danny Lloyd (who appears like a cameo in this film). Roger Dale Floyd plays a young Danny Torrance. Rebecca Ferguson as Rose Hat, leader of the true knot, a worship that feeds on people with psychic powers. Kyliegh Curran as Abra Stone, a girl with "The Shining". Dakota Hickman plays a young Abra Stone. Carl lumbly as Dick Hallorann, the end chef end of the Overlook Hotel who has "The Shining". Dick was played by Scatman Crothers in Shining. [10] Zahn McClarnon like Crow dad, lover of hat rose and right knot arm. Emily Alyn Lind as Snakebite Andi, a young member of the real knot that is able to control psychically people. Bruce Greenwood as Dr. John Dalton, head of the AA group of Dan and the head of him to the hospice. Jocelin Donahue as Lucy Stone, Mother of Abra. Cliff Curtis like Barry Chunk, a true node member. Carel Struycken as a Grandpa Flick, an aging member of the true knot. Alex Essoe like Wendy Torrance, Dan's mother. Wendy was played by Shelley Duvall in Shining. [10] Zackary Momoh as Dave Stone, the father of Abra as the "Baseball Boy". Henry Thomas like The Bartender, an apparition that calls himself Lloyd, but resembles Dan father, Jack Torrance. [11] Thomas also briefly portrays flashback scenes. In the Shining, Jack Torrance State played by Jack Nicholson and the lloyd bartender was played by Joe Turkel. [12] Furthermore, Catherine Parker appears as a silent Sarey, Met Clark as short Eddie, Selena Anduze as Annie Apron, and James Flanagan like Doug Diesel, all the members of the Cult node. Violet McGraw retray Violet, a child who is murdered at the beginning of the film from the real cult node and later fed to Snakebitis Andi as part of her induction in the group, while Bethany Anne Lind portrays Violet's mother. Sadie and KK Heim portrayed the Sisters of Grady, with Kaitlyn McCormick and Molly Jackson who provide their voices; The characters were originally interpreted by Lisa and Louish Burns in splendor. The Sallye hooks portrays Mrs Massey, Michael Monaks portrays Delbert Grady and Hugh Maguire retrace the Horace Derwent, respectively; Played by Lia Beldam and Billie Gibson, Philip Stone and Norman gay in bright. Danny Lloyd, who played Danny Torrance in the brillians, makes a cameo appearance as a spectator of Bradley Trevor baseball match. Lloyd had been withdrawn from acting for about 38 years, and was put into direct service on Twitter from Flanagan to appear in the film. The producer Trevor Macy said about Lloyd's involvement, "[Lloyd] was excited to do [Cameo]. He had not acted since [the original]. It's a scholastist, and a successful success, how to do better The world. It came back for a day, and that seems to be very serious in being retired. I had known that it was supported [sequel] but he went retired. "[13] As for the figures of recast, he explained Flanagan, "We have explored everything, and there were only two options like I saw him: he was going something executed, or something that was digital. And even if we had returned Nicholson, based on the hotel rules and how the ghosts appear Compared to their age, he would perform the part through a Digit avatar Ale ". Flanagan said the de-aging and digital actors, improving rapidly, were still inadequate. "The idea of having a Danny Danny returned riding a trike five minutes in the film, which only looked like we were making a video game at that point. He felt disrespectful." Noting that any solution would be controversial, the director has decided that the best approach "was not to make impressions; he had to find actors who remind us those iconic performances, without ever overturning in parody ... I just want to be able to tilt memories Of people towards the original actors, but then let the characters be. It was considered, as a large associate actor was launching or reminiscent of Nicholson, like Leonardo DiCaprio or Christian Slater. Nicholson was also invited to look cameo like another character, but rejected. [15] Connections with the brilliant novel and the film Additional information: The Shining (film) The comparison with the novel Doctor Sleep is based on the novel of the 2013 horror with the same name as Stephen King. The 1977 novel The thrill was adapted in a 1980 horror film with the same name as director Stanley Kubrick. King was fundamental to Kubrick's film adaptation at the point of writing and executive producing a new adaptation with the 1997 television miniseries. [16] While the film of the movie Sleep is destined to be a direct adaptation of the 2013 sequel novel, The director Mike Flanagan said: "It is an adaptation of the novel Sleep professor, which is the sequel to Stephen King at the novel of him, the brilliant. But this also exists a lot in the same universe that Kubrick has established in his adaptation of the shining. "[18] He explained to work with all the sources," reconciling those three, sometimes very different, the sources was a kind more challenging and electrifying part of this creatively for Noi. "[19] It has read the novel for the first time, novel, Then he had a conversation with the king to train adapting all the sources. As part of the process, Flanagan recreated scenes from the shining to use in flashbacks. [18] As the shining to use in flashbac thrill is so omnipresent and was burned in the collective imagination of people who love cinema in a way that so few movies have. No other language to tell that story in. If you say Å ¢ â,¬ Å "Overlook hotel, Ã ¢ â,¬ Å "Overlook hotel, Ã ¢ â,¬ Å "Overlook hotel, Ã ¢ a,¬ Å "Overlook hotel, Ã initially rejected the flanagan's tone to bring back over the match as seen in Kubrick's film, but the king changed the mind after Flanagan launched a scene inside the hotel towards the end of the film who did not love were "redeemed" for him in the Doctor Sleep. [21] While the climax of the film differs from the novel, closely adapting the original events of the hotel in Vista (but with Dan and Abra reenacting the roles of Jack and Young Danny, respectively), which was heavily omitted by the 1980 adaptation of Kubrick of the latter with respect to the disappointment of the king. Thus this film can be seen as a bridge for the doctor of the king sleep and the shine, incorporating events from both novels. [23] Flanagan said that in him's film, "almost all Dan [is] the story of Jack from [the original novel]." [24] Including these elements in the Doctor Dorm movie, explained Flanagan, "I saw it as this gift, to me as a fan, and by me too - that yes, we will report this Kubrickian neglect the world, and I wanted to celebrate that movie. But what happens if, in doing so, at the same time, you get elements of that final of that novel, the brilliant, that Kubrick threw Jettisk? Then start taking the final you've never done, and that king It was denied. "[22] Production Warner Bros. The images started developing a film adaptation of the Doctor sleeping already in 2014. [25] In 2016, director Akiva Goldsman announced that he would write and produce the film For Warner Bros. [26] For several years, Warner Bros. could not guarantee a budget for the doctor's sleep, or for a different project, a prequel for the brilliant called fascinated. [27] At the end of 2017, Warner Bros. took over Mike Flanagan to rewrite Goldsman's script and direct the film, with Goldsman who receives credit executive for me, which are childhood trauma leading into adults, addiction, the breakdown of one Family, and after the effects, decades of decades. "[29] From June to November 2018, the cast was assembled [30] [31] Shooting started in September 2018 in the Atlanta area, specific locations included Covington, Canton, Stone Mountain, Midtown, Porterdale and Fayetteville. [33] Production completed in December 2018. [34] In January 2019, Flanagan was changing the film. [35] The score of the film was composed scores for the previous works of Flanagan. [36] Watertower Music released the of the film. The score is heavily inspired by the music of the brilliant and includes a reworked yield of the main theme, IRAE dies. The vintage music of Al Bowlly, Ray Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film, repruding the key part that has played in $A \in A$, "Noble and Henry Hall is also included in the film included in the on." Decca DDV 5001/2. The song has never been released before 1977 and has been remained by Keith Gooden & Geoff Milne to Decca in England. Themes this section needs expansion. You can contribute by adding to it. (November 2019) The Author Stephen King said he wrote to sleep professor because he wondered what an adult of Danny Torrance would be. Flanagan said: "Danny is so traumatized by what was through, he has no idea how to deal with this" and McGregor added, "Dan Torrance's philosophy in advance in history is not using brilliance. A Drunk to suppress horrible visits, the spirits coming from the hotel. "[37] Flanagan described the thrill as" a lot about addiction, which is destined, concerns the annihilation and destruction of a family ", while the Dector Sleep was of "recovery," stating ", in the way the dependence feels as destined and annihilation, recovery is the rebirth and recovery is salvation, in a sense." [38] Sweet release sleeping He had his World Premiere at the Regency Village Theater in Westwood, Los Angeles in October 21, 2019. Warner Bros. The images released the theatrical film in the United States and Canada on 8 November 2019. [39]. They opened the film was initially planned to be published on 24 January 2020. Deadline Hollywood said that the reprogramming reflected Warner Bros. give "a serious vote of trust" in the film. [41] The cutting of a director together with the theatrical cut of the Sleep teacher was released on DVD, Blu-ray and 4K on 4 February 4. [42] [43] The director's cut is 28 minutes longer. Reception Box Office Doctor Sleep collected \$ 31.5 million in the United States and Canada, and \$ 40.7 million in other territories, for a worldwide total of \$ 72.2 million. [4] [5] In the United States and Canada, the film was released alongside last Christmas, one street, and that he played with fire, and was initially projected to \$ 25 of \$ â, ¬ "30 million from 3,855 theaters in his opening weekend. [44] Boxoffice wrote," the first social and trailers are indicative of a potential shot of box offices should revise and the reception of the breakout state could be the way in which it is in relief is on the familiarity of the youngest public with the source Stephen King Novels and / or Shining. "[45] The film made \$ 5.2 million in his first day, including \$ 1.5 million dollars from advanced previews of October 30th and Thursday evening on November 7, lowering the projections from the weekend for \$ 12 million. He ended up debuting at \$ 14.1 million, get angry from halfway to first place. Hollywood expiration has hypothesized that despite being "well reviewed and well received" by critics and public, the Sottoperformance was due to 21 ° "2 hours of runtime, as well as the perception of the film was designed for the oldest audience (67% of the opening weekend presence was aged 24 years old). [3] Following his debut, he was screened the film would lose Warner Bros. around \$ 20 million. [46] On his second weekend the film made 6.0 million dollars, fallen to the sixth. [47] Business Insider has hypothesized that, according to Box Office experts, Warner Bros. has overestimated the influence of the shining among the youngest audience, which doesn't care much about Kubrick's film, as well as the Warner Bros error. Done to free the film around the world in November after Halloween. [48] Critical Answer This section may be too long to read e Comfortably. Please consider the subdivision of content to submarti, condensing it or add subtitles. Please discuss this problem on the article discussion page. (May 20) on the website of the marci tomato aggregator website, the film holds an approval assessment of 78% based on 330 reviews, with an average score of 7.1 / 10. The consent of website critics reads ", the doctor sleep abandons the elemental terror of his predecessor for another other Sequel that the worms worn themes against chills chills. [49] Metacritic assigned to the film An average of 59 out of 100, based on 46 critics, which indicates 'conflicting reviews or media'. [50] The public interviewees in Posttrak gave a four on average of five, with 60% he says he would surely recommend him to a friend. [51] Brian Tallorico by Roger Ebert .com gave the film Three out of four, stating: "Flanagan was commissioned to make a sequel to a film that stays faithful to a book that ignores the changes made in the first film. Which is not easy ... and while you sometimes can feel flanagan struggling to satisfy both King and Kubrick fans, when you actually be confident, he is quite talent to pull out this difficult combination of Inherità ". [52] Simran Hans of The Guardian gave the film four out of five, noticing Stephen King's adaptation is one thing, writing a spiritual sequel for a Stanley Kubrick film another. Director Mike Flanagan takes by 2013 the follow-up novel at The Shining, but adapts some details to ensure the continuity with Kubrick Cult 1980 Adaptation of the BBC Nicholas Barber gave the film four out of five and declared," credible in his characterization, rich in mythological details, and mutual moving in his treatment of alcoholism and trauma, the film is impressive in all the ways. But his biggest success is that it makes the shining look like a prequel Å ¢ a tantalizing tasting of a richest and more consistent narration. "[54] Chris Hewitt Empire gave the film three out of five and observed," Working off material source that is very different from his predecessor, whoever expects a simple brilliant sequel to be disappointed. This is not a grueling exercise in pure horror. It is more strange and more contemplative, but it is worth check-in. "[55] Kyle Smith of the National Review has written" adaptation of if Kubrick and the wings of freedom are the only films made by the tales of King that have reached the size almost everything he writes contains at least one brilliantly twisted element, and the Dr. Sleep has a lot of the mines of the imagination of the king's imagination "[56] Peter Travers of Rolling Stone gave the three-star film on five, saying:". The sleep doctor relies too much about inspiration borrowed and eventually runs out of a steam forgiveness the word à ¢. But this wizard hybrid of the king and Kubrick still has the stuff to keep you nights. "[57] Angelica Jade Bastia â © N of the Vulture has written" the film targets in his moments of sweetlime closures still hope. Instead, it is a non-intentional, even severe messaging about the cost of escaping your past and if this is still possible in life. Sonno doctor it probably could never stay completely alone, and maybe it's not destined to. It is a horror movie with disorderly pleasures if you are able to face it at its same level. "[58] The Hollywood Reporter Todd McCarthy said:" It has no Jack Nicholson, Stanley Kubrick or even a lot of the Overlook Hotel, but Rebecca Ferguson and other good actors provide some shine of them in Doctor Sleep, an exhausting and rarely follow- Up to The Shining that still has enough to do to prevent any public sleep-acceleration sleep. [59] Tim Grirerson Screen Daily commented: For a horror director, Flanagan is particularly skilled with actors, more interested on arches Character respect cheap. That's why traced without inspiration of the sleep doctor feels even more Flanagan gives us such a sense of these people to their demons, their fears, their recovery capacity à ¢ that is a pity that the twists are not so convincing. Not everyone will let him out of Overlook, but Flanagan brings enough intelligence and soul to the spoiled, literal, sleep doctor is elegant, engaging, a Times frustrating illogical and, ultimately, less than profoundly disturbing ... Doctor sleep at all causes sleep, but will not fail to keep anyone at night. "[61] Austin Collins by Vanity Fair added" Doctor Sleep is a horror movie, but what strikes it immediately is his sudden amplitude, humble resistance to the usual dangers and emotions of Blockbuster. It is refreshing. This is a story that feels greatest than what is partly because this story takes brilliance and does something with it, reveals for the tenuous, impermanent, vulnerable force that is ". [62] Michael Roffman of Consequence of Sound mentioned "Doctor Sleep should not work. Even now, the idea of making a high-budget sequel probably the biggest horror movie of all time reads as a disaster on paper. However, with our surprise, flanagan execution mandates its existence. "[63] Tom Philip of GQ wrote" While Flanagan execution mandates its existence. "[63] Tom Philip of GQ wrote" with our surprise, flanagan execution mandates its existence. him, this is a film about a son who rejects his destiny to become his father Macabre and create his own way. It is a sin Doctor sleeping does not have the film cleverly builds the tense final sequence, in which writer / director Mike Flanagan recreated the hotel as he was in the film from 1980. It also has a film IT in the blinding cavernous way of Kubrick eclipsed the attachment of the king to the original history and became rooted in the largest culture. But this film is still just a great facsimile. Doctor sleep is wonderfully reverent when it cam't escape the shadow of the brilliant, no matter how much the king would have wanted. "[66] Eric Kohn of the Indiewire gave the film a degree C +, commenting," ... Shows Dr. Sleep considerable effort to ingratiate yourself to discern cinephiles, by the lunatic Newton Brothers score to dark blue night palette of the director of photography director Michael Fiendenies; As a whole, the film evokes a mysterious and the wonderful atmosphere that mixes abject terror with a dark, sad unique quality for Flanagan's work. But its support Duel Source Material results in a jagged puzzle in both their standards "[67] Alison Foreman of Mashable said: The sleep doctor would have tried to be the Shining sequel, a yearning son intimidated to be like his father. Instead, it's all new ... Doctor Sleep is not the shining, but it makes it shine. "[68] Justin Chang by Los Angeles Times wrote: You can't blame Flanagan for fetish the visual iconography of the Kubrick movie, to fall back to his horrors' entertainment house, like the proverbial child in a candy shop. But the effect cannot fail to substantially change the tone and the intent of Dr. Sleep, briefly transform a richly disturbing fantasy into an extravagant act of fan service. It draws the minutie of the Kubrick masterpiece, without fully teasing his mystery ".
