In this way, you will be unlimited XP and money and unlocks all the stadiums, tournaments and the names of the real players. Doing so, lose to fun but accelerate the whole process. What is the cricket? How to play it? Play cricket between two teams of 11 elements each. They divide it into two game sections (inning). The teams do not occur completely on the field. Every inning sees all the 11 players of a busy beat team. When deleted, they will be replaced by teammates from time to time until they eliminate the tenth batsman. And the 11 opponents in this game have a function of defending the field. After the break, the teams return to the pace with inverted roles. The teams try to mark as many points as possible and not to be deleted. You can't score points and eliminate opposite beaters when they are at the field. Those who get the greatest number of points wins. Place the bangers on the field, each in front of one of the two Wickets. The launcher, placed on both ends of the lane, directs the step to the batter to the opposite end. When the batter hits the ball, he can run along the passing places of step with his partner. Each race is worth a point for the beat team. One shot can be so powerful to roll the ball out of the field worth four points. And you will have six points if the ball comes out without touching the ground. How to play World Cricket Championship 2? In the World Cricket Championship 2, you will practice the basic movement. It's hitting the ball. The ball launched will want through three red holes corresponding to the three stable positioning positions. And you control the three left arrow keys, top and central corresponding to the ball direction. Notice when the ball flies through the hole and turns green, then press the arrow keys to hit the ball. If you miss you three times, you will lose and you will have to play again.First, the opponent will launch the World Cricket Championship 2. When the ball will turn through the hole, turns into a blue hole. Quickly press the respective remaining arrow keys, at the top, or right to perform the correct championship Ball Action.World Cricket 2 brings you new online cricket matches and an extremely exciting world cup for cricket.
